

# Do you customize courses?

Last Modified on 11/16/2017 5:56 pm EST

We customize all our courses. In fact, we believe it is necessary to have a truly effective course. All industries are unique. All companies within the industries are as equally unique. Why shouldn't training be the same?

To learn as much of our client's culture as possible, THTE will visit and meet, in-person or virtually, with any locations and/or employees. Whether we are a "fly on the wall" or rolling up our sleeves and working a shift alongside your employees, our goal is to make training as real-world and applicable to their situation as possible.
